STANDS THAT DO  
**STAND OUT!**

# What we do

We can help you with

## STAND DESIGN AND DEVELOPMENT

Let us handle your stands and we will ensure they stand out!  
We stand by our word...

## INTERIOR DESIGN AND FIT-OUT

Not only are we able to create volumes and spaces, our design team is also capable of filling these spaces with functional, efficient, and aesthetic solutions

## FURNITURE DESIGN

One thing we never run out of is ideas! Even if you are looking for a furniture piece, we've got you covered

## EXHIBITION SETUPS

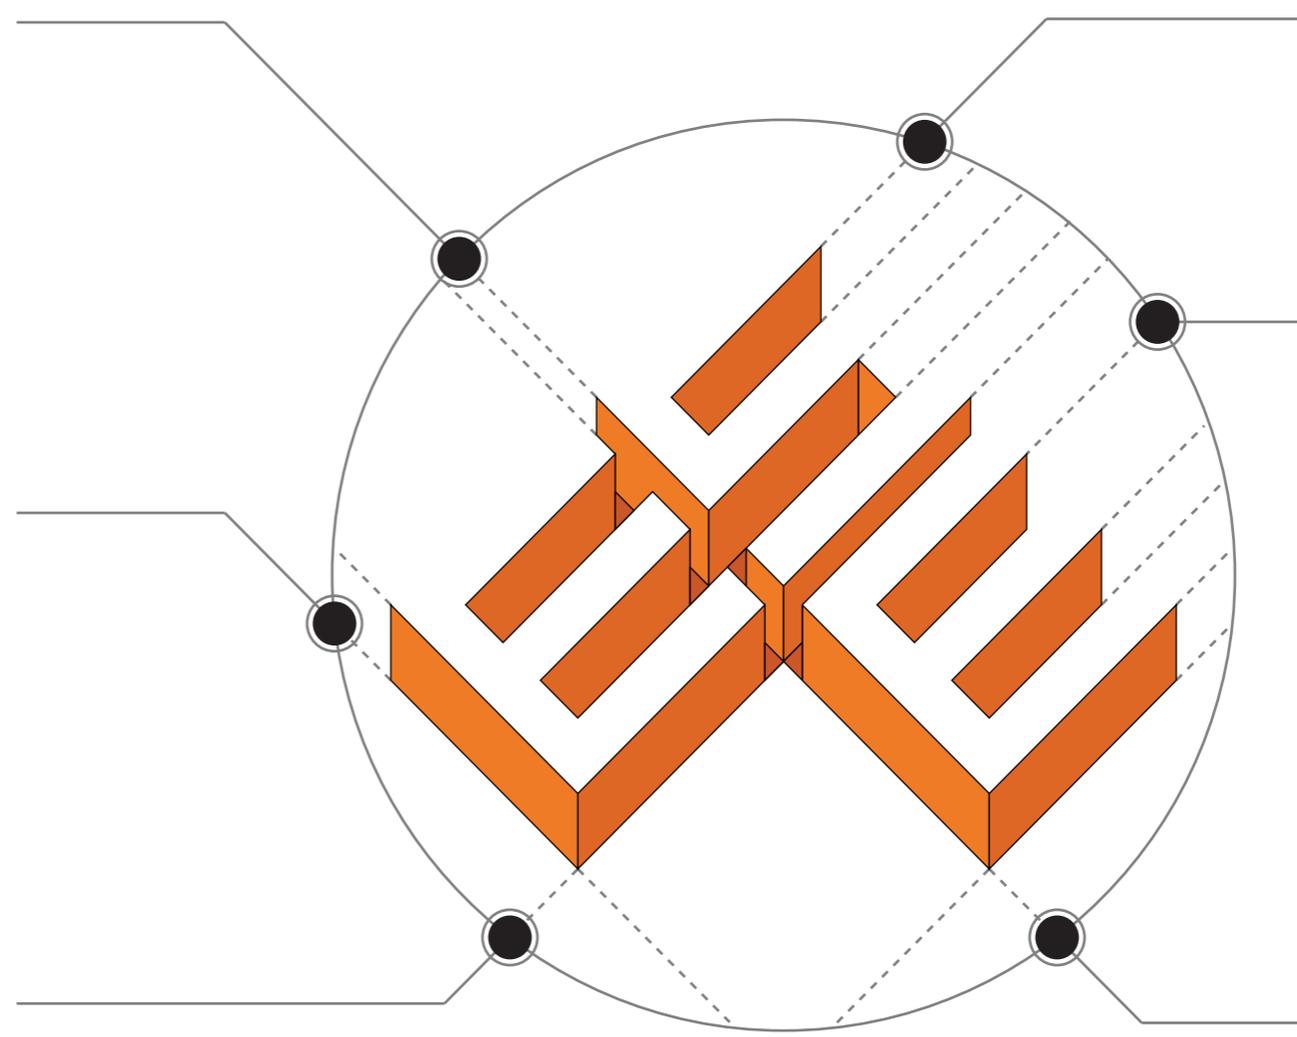

We handle all your event needs, that includes creating ideas, managing resources, and handling operation

## FABRICATION & BUILDUP

Our skill set isn't limited to design, we carry through with development, fabrication, buildup and delivery

## REFURBISHMENT

Already have your space and looking to spice things up?  
We can do it, we bring spaces back to life

# Who we are

Emirates Exhibition Services has become one of the leading names in the exhibition industry. Not only do our services cover the UAE, but we have also served some of our loyal clients around the Middle East and Gulf region.

Ever since 1993, we have been turning thoughts into reality. With our highly committed team of designers and engineers, we welcome challenges and transform your visions into tangible solutions.

# Our Facility

Situated in Musaffah, our production facility covers an area of 2,500 sqm and is a 10 minute drive from Abu Dhabi's exhibition center (ADNEC). However, our reach is much further than Abu Dhabi as we have successfully served our clients in various locations inside and outside the UAE in the GCC and Middle East regions.

# The tools

Our design team's cadd expertise mated to our technologically advanced workshop and our experienced craftsmen is our recipee to providing the highest quality services. Our production techniques utlizie various materials and products, from raw wood to plastics and glass, and metals like structural steel and aluminum profiles, it all comes together to achieve a harmonious final product.
